PHARMACY STUDENT SERVICES

May 28, 2019

Well future pharmacists, you did it.

You made it through a tough year and came out wiser, smarter and stronger.

Please enjoy your break by taking a moment to reflect on your path this year.

Celebrate what worked, change what didn't and live in the moment during the break.

Please avoid the temptations that will derail your movement towards becoming a pharmacist.

Remember that we are here for you even during the break.

Please stop by and visit, send us an email or text, you matter and we care.

As always, if needed don't hesitate to get help by calling free and confidential 24/7 University Counselling services at 707-638-5292 option 3.

We look forward to seeing you soon.
