

Dear Student Pharmacists,

Friday, 9/21/2018, we will be holding our annual **MANDATORY** Career and Residency Day. Attendance is REQUIRED for this event for all pharmacy students P1 through P4. The event will start promptly at 10 am, so please plan to arrive at Lander Hall before 9:30 am for check-in before you enter the auditorium. In addition to check-in, you will be asked to turn in a signature card with signatures from participating organizations to prove your attendance. You can pick up this signature card outside of the gym before you enter for the Exhibit Showcase. Signature cards will not be accepted before 12:00 pm, so please take your time to introduce yourself to the vendors and obtain any information you need from them so that you can learn more about each organization. It is very important that you arrive on time and come dressed professionally with your Touro Intern Name tag which you received at the White Coat Ceremony.
